

Public First Poll for the UPP Foundation & HEPI

Fieldwork: 4th Feb - 7th Feb 2021
Interview method: Online Survey
Population represented: English Adults
Sample size: 2011

Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride (seb@publicfirst.co.uk)

List of Tables

| | | |
|----|---|----|
| 1 | Thinking back to before the first national lockdown in England, in March 2020. When did you last visit a University in England before that time, for whatever reason? | 5 |
| 2 | Why did you visit the University on that occasion?Please select all which apply | 7 |
| 3 | Do you tend to agree or disagree with the following statements: Government should redistribute income from the better-off to those who are less well-off | 9 |
| 4 | Do you tend to agree or disagree with the following statements: Big business benefits owners at the expense of workers | 11 |
| 5 | Do you tend to agree or disagree with the following statements: Ordinary working people do not get their fair share of the nation’s wealth | 13 |
| 6 | Do you tend to agree or disagree with the following statements: There is one law for the rich and one for the poor | 15 |
| 7 | Do you tend to agree or disagree with the following statements: Management will always try to get the better of employees if it gets the chance | 17 |
| 8 | Do you tend to agree or disagree with the following statements: Schools should teach children to obey authority | 19 |
| 9 | Do you tend to agree or disagree with the following statements: The law should always be obeyed even if a particular law is wrong | 21 |
| 10 | Do you tend to agree or disagree with the following statements: Censorship of media is necessary to uphold moral standards | 23 |
| 11 | Do you tend to agree or disagree with the following statements: Organising protest marches and demonstrations should be allowed | 25 |
| 12 | Do you tend to agree or disagree with the following statements: Young people today don’t have enough respect for traditional British values | 27 |
| 13 | People often talk about political views in terms of “left-wing” and “right-wing”.On a scale of 1 to 7, where 1 is very left wing, and 7 is very right wing, how would you position yourself? | 29 |
| 14 | People often talk about political views in terms of “conservative” and “liberal” values.On a scale of 1 to 7, where 1 is very liberal, and 7 is very conservative, how would you position yourself? | 31 |
| 15 | Which of these comes closest to your view?Please select the option which comes closest to your view even if neither is exactly correct | 33 |
| 16 | Which of these comes closest to your view?Please select the option which comes closest to your view even if neither is exactly correct | 35 |
| 17 | Which of these comes closest to your view?Please select the option which comes closest to your view even if neither is exactly correct | 37 |
| 18 | How important or unimportant in general do you believe a person getting a degree from a University is? | 39 |
| 19 | How important or unimportant do you think your highest educational qualification has been to your current situation in life? | 41 |
| 20 | If you were currently leaving secondary school, do you think you would want to go to University or not? | 43 |
| 21 | If you have children now, or if you are thinking about having children in the future, do you think you would want them to go to University or not? | 45 |
| 22 | What were the main reasons you chose to go to University?Please select up to three | 47 |
| 23 | And, of those, which would you say is the MAIN reason you chose to go to University?Please select only ONE | 49 |
| 24 | What would you say are the main disadvantages of going to University?Please select up to three which you would consider most important | 51 |
| 25 | Overall, how would you compare the advantages and disadvantages of getting a university degree? | 53 |
| 26 | Do you tend to agree or disagree with the following?: A University degree is necessary to get a good job | 55 |
| 27 | Do you tend to agree or disagree with the following?: A University degree is a waste of time | 57 |
| 28 | Do you tend to agree or disagree with the following?: University does not prepare students for the “real world” | 59 |
| 29 | Do you tend to agree or disagree with the following?: University students spend more time partying than studying | 61 |
| 30 | Do you tend to agree or disagree with the following?: Studying topics which do not clearly lead to a profession is a waste of time | 63 |
| 31 | Do you tend to agree or disagree with the following?: University teaches everyone to think and act the same and imposes a set of values on everyone | 65 |
| 32 | Do you tend to agree or disagree with the following?: People need a University degree to get a high salary | 67 |
| 33 | Do you tend to agree or disagree with the following?: People who have a university degree are less patriotic | 69 |
| 34 | Do you tend to agree or disagree with the following?: Society values a University education too highly at the moment | 71 |
| 35 | Do you tend to agree or disagree with the following?: Enjoying a subject is enough of a reason to do a degree in it | 73 |

36 Do you tend to agree or disagree with the following?: A degree from a University is an impressive achievement 75

37 Do you agree or disagree with the following: "University curricula should prioritise a Western point of view" 77

38 How important or unimportant do you think universities are for the following?: The UK economy overall 79

39 How important or unimportant do you think universities are for the following?: The Economy in their local areas 81

40 How important or unimportant do you think universities are for the following?: Your local area 83

41 How important or unimportant do you think universities are for the following?: Innovation / research 85

42 How important or unimportant do you think universities are for the following?: Jobs 87

43 How important or unimportant do you think universities are for the following?: People’s individual and personal development 89

44 If you could choose, would you prefer for there to be: 91

45 Which of these comes closest to your view? 93

46 Thinking about areas that have Universities in them, which of the following comes closest to your view?Please select the option which comes closest to your view, even if none is exactly right 95

47 In your view, what role have universities played in helping the UK address the Covid-19 pandemic? 97

48 And in your view, what role are universities playing in helping the UK address climate change? 99

49 How proud, if at all, does it make you that one of the main Covid-19 vaccines was discovered by a British university (Oxford)? 101

50 How important or unimportant is it for you to know that British universities do well in global league tables of high performing universities? 103

51 Which of these do you think it is MOST important that Universities add benefits to? Please select only one 105

52 Do you tend to agree or disagree with the following?: A lot of money spent on University research is wasted 107

53 Do you tend to agree or disagree with the following?: Academics don’t understand the “real world” 109

54 Do you tend to agree or disagree with the following?: University research should receive funding from the taxpayer 111

55 Do you tend to agree or disagree with the following?: University research is one of the best things produced in the UK as a country 113

56 How proud, if at all, are you to be British? 115

57 Do you agree or disagree with the following: "Universities should ‘decolonise their curriculum’ to actively remove material in it which reflects a Western dominated view of the world” 117

58 Do you agree or disagree with the following: "University curriculums should allow students to study about people, events, materials and subjects from around the world, and ensure that all groups are represented fairly and discussed in an even handed way” 119

59 Thinking in general, which of the following would you say comes closer to your view?Please select the option which comes closest to your view, even if none is exactly correct 121

60 Which of the following would you say comes closer to your view?Please select the option which comes closest to your view, even if none is exactly correct 123

61 In your view, who should decide who comes to speak at a University? 125

62 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past.Please be open and honest in your responding: An individual who has made racist remarks 127

63 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past.Please be open and honest in your responding: An individual who believes that immigration levels should be reduced 129

64 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past.Please be open and honest in your responding: An individual who has previously committed a violent crime . . . 131

65 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who advocates the role of violent jihad under certain circumstances (violent action undertaken in the name of Islam) 133

66 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who believes that the Holocaust did not happen . . 135

67 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who has communist views 137

68 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who defends Donald Trump and the actions of the Trump Presidency 139

69 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who believe that trans women (women who were assigned male at birth) are not women 141

70 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who has written books against gay marriage 143

71 Imagine you had a say over which individuals were to be allowed to speak at a University or Students’ Union event. In each of the following instances, please indicate whether you believe the individual should or should not be allowed to speak, based only on the information provided below about what the speaker has done or said in the past. Please be open and honest in your responding: An individual who promotes the UK’s colonial history and the positive role of the British Empire 145

72 Which of the following come closest to your view? Please select the option which comes closest to your view, even if neither is exactly correct 147

73 Would you tend to agree or disagree with the following: ”Universities should uphold the principle of free speech at all costs” 149

74 Would you tend to agree or disagree with the following: ”These days young people are too easily offended” 151

75 Would you tend to agree or disagree with the following: ”Allowing racist views on University campuses gives them credibility” 153

76 Would you tend to agree or disagree with the following: ”Politics on university campuses in England lean towards one particular viewpoint” 155

77 You said you agree that politics on University campuses in England lean towards one particular viewpoint. Would you say this is, or is not, a problem? . . 157

78 Which of these comes closest to your view? Please read each option carefully 159

79 Which of these comes closest to your view 161

80 Is the university system in England generally going in the: 163

81 Do you think that universities in England have a positive or negative effect on the way things are going in the country? 165

82 Would you tend to agree or disagree with the following: ”Universities should resist pressure from certain groups to ‘cancel’ speakers and events that the group disagrees with” 167

83 Do you tend to agree or disagree with the following?: University education makes people more conservative 169

84 Do you tend to agree or disagree with the following?: Universities teach a “left-wing” perspective 171

85 Do you tend to agree or disagree with the following?: University educated people are pretentious 173

| | | |
|----|--|-----|
| 86 | Do you tend to agree or disagree with the following?: Universities are elitist | 175 |
| 87 | Do you tend to agree or disagree with the following?: People who do not go to University are more closed-minded | 177 |
| 88 | Do you tend to agree or disagree with the following?: People who go to University are more likely to have friends from a range of social and educational backgrounds | 179 |
| 89 | Would you tend to agree or disagree with the following: "Universities should protect their students by restricting the right of certain individuals or groups to give talks at universities" | 181 |
